SUBJECT: Ontarioville Streetscape Improvements

ACTION REQUESTED: ☐ Approval ☐ Concurrence ☐ Discussion ☒ Information

RECOMMENDED FOR CONSENT AGENDA: ☐ Yes ☒ No

MEETING DATE: February 20, 2020 – Board Workshop

__________________________________________________________

Executive Summary
The Ontarioville streetscape project is currently underway and is out to bid.

Discussion
The Ontarioville streetscape project is currently in the bidding phase. There will be a pre-bid meeting on February 20th with a bid opening on the 27th. It is expected to go to the Village Board for approval at the second meeting in March. The project will create a new focal point in the Village and create a sense of locality for the larger community.

This project has been discussed previously on 8/2/18, 6/20/19, 7/18/19, 8/15/19, 9/5/19, and during the Board Workshop on February 7, 2019. The project was also reviewed at the September 17, 2019 Workshop as part of the development of the 2020 Capital budget.

The February 20, 2020 Board Workshop is intended to give the Village Board an opportunity to see the final plan set and renderings of what the finished project is expected to look like.

Representatives from Lakota and SpaceCo will be attending the meeting to present the project. Businesses in the project area have also been invited to attend.

The burying of the utility lines is currently underway and is anticipated to be completed by early April. It is expected that streetscape and road construction will occur throughout the summer and fall of 2020 with productive use of the site to begin in 2021.

Recommended Action
No action is requested at this time.
