A Year In Review

2014 was a great year for Hanover Park. In **January**, we started the year with our Annual Awards Reception, where we named our Youth of the Year and gave awards to several other deserving individuals.

In **March**, our annual "Business After Hours" event took place, hosted by the Village's CONECT Committee. This Mardi Gras themed evening is a popular networking event for local businesses.

The community pitched in and did their part for the Cultural Inclusion & Diversity Committee's Clean Up Day in **April**. We also celebrated Arbor Day with the students and teachers at Laurel Hill School.

In **May**, we held several events which included our semi-annual Coffee with the Board, DuPage River Sweep, Maxwell Street, and a Memorial Event. This same month, the Village also went live with our new Facebook Page.

As the weather started heating up in **June**, we had a Community Night at the Boomers Baseball Stadium, as well as our Touch-A-Truck and Food Truck event. A Relay for Life event also took place and was well attended. We closed the month with an Apiary Open House.

July was another great month for the Village, with our the Police Department hosting their COPS Day Picnic, and our Fire Department holding a Community Health and Safety Fair.

In **August**, the much awaited Education and Work Center opened in the Hanover Square Shopping Center. Our Annual Car Show was also a big hit in August, with proceeds benefitting the Hanover Park Community Resource Center.

September was another busy month, with our 9/11 Event, Maxwell Street and our Recycling Event all taking place. The Illinois Welcoming Center also had a Ribbon Cutting Event and is now open.

The Fire Department held their Open House in **October**, and a Blood Drive was also held, which helped in saving many lives.

In **November** we honored our Veterans at our Veterans Day event. Thank you to our Veterans!

December closed the year with our Annual Tree Lighting event, which is always great fun.

We wish you all the very best for 2015, and hope to see you at one of our many upcoming events.

Minute with the Mayor

Many thanks to the Medinah Christian School Choir who came to participate at our 9/11 Remembrance Ceremony. Herb Porter sang the National Anthem inspiring everyone who came with his remarkable voice.

The Holiday Season is quickly approaching - a time for families to come together and count their blessings. Take time to enjoy your family and friends during this special season.

Be sure to mark December 5, 2014 on your calendar, and join us for our annual **Tree Lighting Ceremony**. This fun-filled, family event is free and open to the public. Watching the streets come alive with the colors of the season is a sight to see!

Veterans' Day is upon us, and we will once again honor our Veterans during our **Veterans Events** on November 11th at the Village Hall at 7:00 p.m. We will hear from Lon Hodge - who will be accompanied by his Service Dog, Gander, recognize Veteran's that are present, honor those added to the Honor Roll, and also those who purchased Bricks. Thank you to **Horizon School**, and all other schools that open their doors to the Veteran's on Veteran's Day. The Veterans are so appreciative of the honor of speaking with the classes.

Well done to the **YMCA** for their support as the Fiscal Agent for the new Welcoming Center, which provides information and services to immigrant families. Additionally, the Campanelli YMCA is now part of the larger Golden Corridor YMCA's with Taylor YMCA and Camp Edwards. We look for greater inclusiveness for family quality of life and Child Care. The after-school programs have been quality and recognized as such for many years.

Many thanks to the Hanover Park Cert Team and Environmental Committee for their marvelous work at the Environmental Collection Day.

Finally, it continues to be my pleasure to represent the people of Hanover Park, our hometown. We cannot do it without you! Take the time to volunteer and give back to our wonderful town, at the schools, churches, or assisting on the playing field. We are a Village that believes all youth will achieve and have hope for success, together, we are finding ways to believe in our youth and together we can make a difference in Hanover Park.

Sincerely,

Rodney S. Craig, Village President

Vehicles Left Running and Unattended

DON'T BE A VICTIM! MOVE IT OR LOSE IT!

30 seconds it takes for a thief to break into your car and steal your valuables!

20 seconds it takes you to at least move valuables into your trunk, out of sight!

Lock it. Or Lose it.

LOCK IT OR LOSE IT

With the cold temperatures approaching, some residents find it convenient to go out and start their vehicles to allow them to warm up, or they leave their vehicles running while they run into the convenience store for that cup of coffee. No one likes to get into a cold car. However, most vehicle thefts are crimes of opportunity, so don't make it easier for thieves to steal cars. If you must warm up your vehicle, stay with your vehicle. If you are out running errands and run into a store or business, please shut your vehicle off and lock it. Remember it is illegal to leave your vehicle running and unattended.

625 ILCS 5/11-1401 States that no person driving or in charge of a motor vehicle shall permit it to stand unattended without first stopping the engine,

locking the ignition, removing the key from the ignition, effectively setting the brake thereon and, when standing upon any perceptible grade, turning the front wheels to the curb side of the highway.

REMEMBER LOCK IT OR LOSE IT!

Bullying: How Parents Can Help Their Children

For children who are bullied, going to school can be a painful and frightening experience. According to the National Education Association, every day nearly 160,000 children miss school because they are scared of bullying. Bullying can lead to poor academic performance, social isolation, low self-esteem, depression and substance abuse. Bullying is when kids use their power - such as physical strength, access to embarrassing information, or popularity - in an aggressive and unwanted way to control or harm others. Bullying includes actions such as making threats, sending mean text messages or emails, attacking someone physically or verbally, purposely excluding someone from a group, and spreading rumors on social networking sites.

If your child is being bullied, you can help. Parents are often the best resources to build a child's self-confidence and teach him or her how to best solve problems. Teach your child nonviolent ways to deal with bullies like walking away, talking things out, or forming alliances with other friends. Encourage kids to stand up for themselves and others verbally, not violently.

Report all bullying to school administrators and work with them on a resolution. You can also file a police report if the behavior is criminal in nature or if it happens outside of school. Children who are being bullied may also benefit from counseling in order to create a safe place where they can express their feelings openly. As a community, we can work together to ensure the safety of our children so we can help them succeed both inside and outside the classroom.

New Law Regarding Sign and Drive

On August 9, Governor Pat Quinn signed a new law to end the practice of posting a valid driver's license as security for traffic citations in Illinois. The "Sign and Drive" law will allow motorists to sign a promise to follow the terms of the citation for certain minor traffic offenses. The law change goes into effect January 1, 2015.

Winter Parking Regulations

Village Ordinance 62-11-1323
Limited parking for snow removal

It shall be unlawful to park any vehicle on any public street in the village at any time within 24 hours after a snowfall of two inches or more has occurred, except on those streets where late night parking is permitted in section 62-11-1327(b). Vehicles shall be parked only on the side of the street on the day during which late night parking is permitted.

The Importance of Building Permits and Inspections

There are many reasons to obtain a building permit and have the required inspections done for your project. **Following these procedures will help to protect the value of your property.** It is a common practice for realtors to request copies of all permits and inspections for a property before their client completes the purchase. If work was done without a permit, the new owner becomes responsible for any work that was done incorrectly. This can cause a substantial reduction in the sale price to cover any work that was not done per code. Many financial institutions will not finance a purchase without proof of final inspection.

Work done without a permit and inspection can be unsafe. An improperly installed furnace or water heater can cause deadly carbon monoxide poisoning. It is also possible to get sick from plumbing work that is done incorrectly. The permitting and inspection process ensures that your project will meet minimum standards of safety, helps maintain the value of your home or business, and generally ensures the public's health, safety, and welfare.

The Village of Hanover Park Fire Department – Inspectional Services Division, is responsible for building permits and inspections in the Village. The best way to find out if a permit is required is to call the Inspectional Services Division. We can discuss your project, determine whether a permit is required, and what submittals will be needed to obtain a permit.

The Inspectional Services Division is located in the east wing of Village Hall. Business hours are 8:00 am through 4:30 pm, Monday through Friday. Our phone number is 630-823-5860 and our email address is iservices@hpil.org. You may also download a variety of informational forms from the Village's website.

The goal of the division is to provide customer assistance to help residents and business move from project concept to completion and occupancy.

The Inspectional Services Division also manages the Village's Health and Sanitation – Food Services Program, as well as business licensing inspections, commercial property inspections and all fire protection and life safety inspections.

Keep the Wreath Red Program

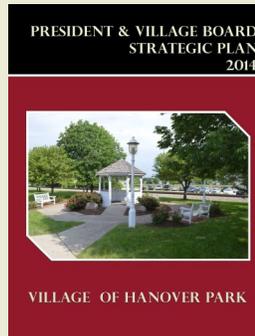

"Keep the Wreath Red" is a holiday fire safety program designed to increase fire safety awareness. In the event of a holiday-related fire, firefighters will replace one of the red bulbs with a white one. The goal is to keep the bulbs on the wreath red. This program is a constant reminder for citizens to use proper care when creating holiday displays that include lights, electrical cords, candles, Christmas trees and other decorations.

Village Adopts Updated Strategic Plan

The Village has adopted a new 2014 Strategic Plan. In the fall of 2013, the Village began the year long process of updating its comprehensive Strategic Plan, which will guide decision making for the next 3 years.

Fire Chief Craig A. Haigh, who helped facilitate development of the new plan, said, "The goal of the update process was to develop a written plan that is used daily to guide overall decision making. The plan is a living document that provides guidance, but is not so restrictive that it can't be adjusted and realigned to address changing demands within a dynamic community."

The process undertaken to develop the plan was multifaceted in nature and involved elected officials and senior staff. The groups looked at the Village as a whole and completed an in-depth analysis that focused on the Village's strengths and weaknesses as well as opportunities and threats. This analysis was then compared against our current operating environment, as well as the community's culture and values.

Based on the findings of the analysis, five focus areas were identified:

1. Fiscal Health of the Village
2. Focused economic development and redevelopment
3. Maintenance and enhancement of the Village's infrastructure
4. Effective governance
5. Community Image and Identity

Multiple goals and key outcome indicators were developed to target each of these areas. Village Manager Juliana Maller believes that the plan is aggressive but necessary in order to strengthen the Village's position in the competitive Chicagoland economic development market.

Mayor Rodney S. Craig said, "This plan is a marvelous opportunity to move the Village forward and will be used as a roadmap for success." The plan will focus on the next three years and will again be updated in 2017.

The Village of Hanover Park would like to welcome Dulce Vida Juice Bar to our town! They recently opened their doors and will be hosting a Ribbon Cutting/Grand Opening Ceremony in the early part of November.

Dulce Vida is located directly across the street from Streamwood Bowl and west of East Ave on Irving Park Road. The business is owned by Roberto Salazar and Gregorio Hernandez and this makes the second business for both of them. Roberto Salazar has owned and operated another Hanover Park business, Taco Patio, for over six years, and Gregorio Hernandez has owned a similar business in Melrose Park named La Dulce Vida Neveria for over four years.

The focus of Dulce Vida Juice Bar is to offer healthy options to for their patrons in the form of Fresh squeezed juices; fruit infused ice cream and salads.

The prices range from \$4.00 to \$7.00 dollars for smoothies and shakes—12 ounces to 32 ounces for Fresh Fruit Smoothies, Green Smoothies, Natural Juices, etc., and for ice cream you have the option of large or small. Trust me, you will want to go with the large for the Mango ice cream - it's delicious!! Be sure to stop in and welcome them to the neighborhood! Look for their coupon on page 9.

Rate as of	WATER & SEWER RATES		
	Jan 1, 2013	Jan 1, 2014	Jan 1, 2015
Service/Infrastructure Fee	\$25.00	\$25.00	\$25.00
Water Rate (per 1,000 gallons)	\$7.07	\$8.13	\$9.35
DuPage Cty Sewer Rate (per 1,000 gallons)	\$5.25	\$5.41	\$5.57
Cook Cty Sewer Rate (per 1,000 gallons)	\$1.95	\$2.01	\$2.07

Water and Sewer Rates

Effective January 1, 2015, the Village’s water and sewer rates will change as part of the four-year rate adjustment approved on March 1, 2012. The \$25.00 service/infrastructure fee that replaced the 12,000 gallon minimum bill will remain in place to ensure that all residents pay an equal amount to help recover the costs of infrastructure replacement, repairs and overhead associated with supplying water. Some of the Village’s water and sewer infrastructure is over 50 years old and in need of replacement. Seniors who were exempt from the minimum bill will be exempt from the service charge. Residents enrolled in the Illinois Circuit Breaker Program can apply for an exemption from the service charge as well.

On January 1, 2015, the Village’s water rate will increase from \$8.13 to \$9.35 for each 1,000 gallons of water used. The City of Chicago, who supplies the Village with water, set a four-year rate increase starting with 25% in 2012, and an additional 15% each year for 2013, 2014 and 2015. The new sewer rate for Cook County residents is \$2.07 for each 1,000 gallons of water used. The new sewer rate for DuPage County residents is \$5.57 for each 1,000 gallons used. These were increased by 2% to cover the costs of inflation. Cook County resident’s sewer rates are lower as they pay an additional sewer charge on their real estate tax bills to the Metropolitan Water Reclamation District, while DuPage County residents submit their entire payment to the Village which provides their complete sewer service. Please contact the Village’s Water Billing Division at 630-823-5799 with any questions.

2014-2015 Michael H. Coleman Youth of the Year Scholarship Program

The Village of Hanover Park is seeking candidates for the 2014-2015 Michael H. Coleman Youth of the Year Award.
