One Village - One Future

The mission of the Village is to provide responsive and effective municipal services toward the goal of maintaining a good quality of life for residents and businesses within the community.

Village of Hanover Park

May – June, 2016

Local Business Wins Prestigious National Award

The Village of Hanover Park congratulates Camcraft on winning one of Industry Week's 2015 Best Plant Award! This award recognizes industrial businesses from across the country that lead the way with innovative initiatives, incorporation of technology and overall workplace environment.

Village Board with Camcraft President, Michael Bertsche and Executive Vice President, Steve Olsen

Camcraft moved to their current location at 1080 Muirfield Drive in the Turnberry Business Park in 1994 and has grown to be one of the largest employers in Hanover Park. Camcraft manufactures over 27 million precision parts annually for many different companies including Ford, Honda and Toyota. The leaders of this company look to the employees for solutions to make this business better with their E2B2 (Everybody Every day getting Better and Better) program.

Camcraft also goes above and beyond for the Hanover Park community by working with School District U-46's program called ACE (Alignment for Collaborative Education), where students from Parkwood School shadow Camcraft employees and learn about advanced manufacturing. To learn more about Camcraft, please visit www.camcraft.com.

Hanover Park Small Business Resource Fair Tuesday, July 19th from 5:00-8:00 p.m.

Education and Work Center 6704 Barrington Road (Hanover Square)

The Village of Hanover Park and ACCION Chicago are inviting all Entrepreneurs and Small Business Owners to the first ever Hanover Park Small Business Resource Fair! This event is the perfect opportunity to introduce the resources available to those who are wanting to pursue their own business venture or who want to enhance their existing business. The Bartlett Area Chamber of Commerce, Village Staff and elected officials will also be on-hand to support our local entrepreneurs.

Best of all, the event will be FREE! Please call or email, Patrick Ainsworth, Village Planner, at 630.823.5779 or pmainsworth@hpiil.org for more information or to sign-up.

The Small Business Resource Fair will contain a variety of topics, including:

- ◆ Coaching sessions in the fields of marketing, social media outreach, accounting, finance and developing a business plan.
- ◆ Information on job tax credits, workforce training tax credits and innovative financing options.
- ◆ Information on available properties in Hanover Park.
- ◆ Networking opportunities with other entrepreneurs and local leaders.

Minute with the Mayor

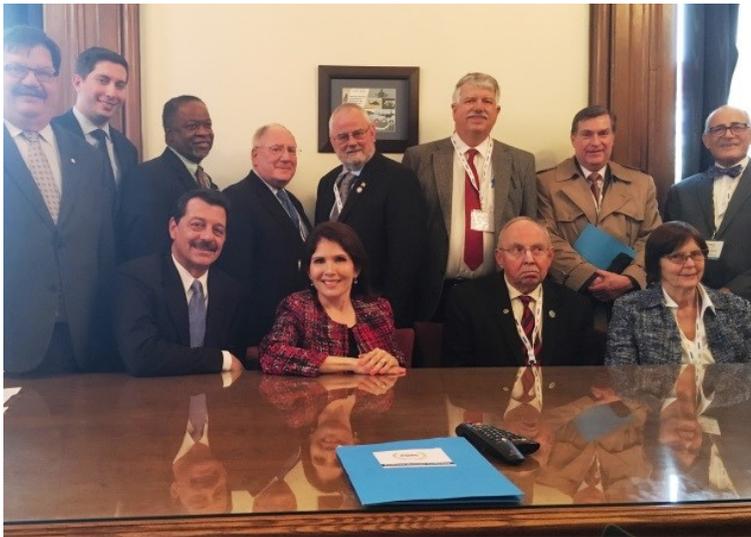

Spring weather is upon us and general yard clean-up is about to begin. Please take every opportunity to make our Hometown look fresh and clean as the dark days of winter depart. Don't forget Mother's Day is May 8th, the best day to begin planting flowers.

I have been watching our youth activities come to life as I travel throughout the town. Please lose the phone for a while and join in the fun that summer brings and our outdoor activities in Little League, Hurricane football, Swim Team or Soccer at the Park District. I'm very excited about our Lions Club joining with the Knights of Columbus to sponsor a "Fishing Derby event", where we will have fishing in the morning and a fish fry in the afternoon. More to follow as this marvelous event comes together.

Our Veteran's Committee is a third of the way to having the budget to purchase the War Dog Memorial Statue. The committee will be at various events where (tax deductible) donations can be made. We encourage our residents to stop by the Veteran's Memorial and see the history that is coming together as our Veteran bricks continue to grow.

Have you noticed the ongoing improvements around town? I'm pleased to say the Hanover Square Shopping Center is in the final stages of renovation, and we are optimistic with proposals for the old Menard's property. We have had discussions with Cook County Economic Development, with assistance from our fine Commissioner Tim Schneider, and it appears we can find opportunities for our small business community.

Mayor Craig, Trustee Porter and the Mayors of Northwest Municipal Conference meeting with the Lt. Governor Sanguinetti in Springfield.

Our work visiting with our businesses as part of our Business Retention Program has been fruitful and brings great insight and understanding to the Village to better serve our business community, which is vital for our local economy and financial vitality. The Chamber has been working collaboratively with our neighbors in Bartlett, and that is exciting to watch and participate.

Additionally, we are building community through our Resource Fairs....Kids-At-Hope, Community Health, and Small Business Resource Fairs, as we seek to identify collaborative processes to enable success with our children, families and businesses. Other outstanding events include our Car Show and the Touch-A-Truck events, which are always a thrill for kids and families. Come along for the ride, this will be one fabulous year in Hanover Park.

Finally, it continues to be my pleasure to represent the people of Hanover Park, our hometown. We cannot do it without you! Take the time to volunteer and give back to our wonderful town, at the Schools, Churches, or assisting on the playing field. We are a Village that believes all youth will achieve and have hope for success without exception. Together we are finding ways to believe in our youth and together we can make a difference in Hanover Park.

Sincerely,

Rodney S. Craig, Village President

NEWS FROM THE COUCH

By: *Tricia Rossi, LCSW*
Police Department Social Worker

Slow Down and Relax

This time of year is so busy. It's the season for proms, graduations, final exams and weddings. With so much demand on our time, it's easy to become a victim of chronic busyness. Evidence shows that chronic exposure to high levels of stress can be damaging, both physically and mentally. Here are some simple steps for releasing tension in your body and your mind.

Breathe: Slow down your breathing and actively concentrate on it.

Focusing on your breath is the easiest way to self-calm.

Use Visualization: Visualize your favorite place and use all your senses to imagine yourself there. This can be a powerful tool to help you unwind quickly.

Move: Relaxing isn't just lying around being sedentary. Take a walk, stretch, spend time outdoors with your pet, take a yoga or tai-chi class or hit the gym.

Pamper Yourself: Take a hot bath, read a good book, take a short nap, listen to soft music, eat fresh foods, watch a good movie, or engage in a hobby that relaxes you. Be sure to get enough sleep.

Let Go of Guilt: Many of us have come to believe that being on-the-go constantly is the only way to prove our worth. Having an unrealistic interpretation of hard work will end up wearing you down. Remember...your most important client is *you*.

The best way to truly unwind is to understand what works for you. Relaxation is vital for your health, well-being, as well as restoring the passion and joy in your life. Take care of yourself!

Code Enforcement Reminder...

**A REMINDER TO KEEP YOUR GRASS MOWED
 LESS THAN 8 INCHES IN HEIGHT!**

The Code Enforcement Unit would like to remind residents that Village Ordinance 18-91-302.4 makes it unlawful for a property owner to allow any weed, grass or plant (except ornamental trees, bushes or flowers) to exceed eight inches in height. Neighborhoods remain pleasant places to live and property values are protected when property maintenance ordinances are followed. Contact the Code Enforcement Hot Line at (630) 823-5572 to report any violations.

Save the Date.....
Annual Cops Day Picnic
Wednesday, July 13th

Rain Date: Thursday, July 14th
 Details in our July/August Newsletter.

Curb Appeal Program

Each year, the Hanover Park Code Enforcement Unit inspects all residential properties as part of its Curb Appeal Program. When violations are found, the resident is notified with a door hanger tag and a follow-up letter via U.S. mail. Often, residents are already planning on making the needed repairs in the coming months. If a resident needs more time than allotted in the initial notification, we recommend they contact the Code Enforcement Officer (CEO) listed on the notice for an extension. The key is maintaining communication with the CEO and making a good faith effort to achieve compliance with the regulations.

The goal of the Curb Appeal Program is to work with the residents of the Village to gain compliance. The CEO's and Appearance Officer will work with residents to get the property maintenance issues resolved so that the property looks good and the owner is not summoned to housing court.

Below are some common items requiring correction:

- Tall grass and weeds (over 8 inches in height), a ticket will be issued to the homeowner if the Village is required to initiate grass cutting after a 7 day violation notice;
- Garbage and recycling containers illegally stored in front of the home or at the side of the home in public view. Store the containers behind the Home with tight-fitting lids or keep them inside your garage;
- House address numbers not displayed on the front of the house (numerals not less than 4 inches high);
- Driveways in serious disrepair;
- Missing or torn window screens;
- Rotting wood or peeling paint on the exterior;
- Gutters and downspouts not in good repair;
- Inoperable vehicles (including vehicles not displaying current license plates) may not be stored except in a garage or, no more than one vehicle under a commercially manufactured cover in good condition;
- No bare areas or ruts in grass caused by pedestrians or vehicles;
- Holiday decorations must be removed within 90 days of the Holiday.

Any questions about the program should be directed to Deputy Chief Andrew Johnson at ajohnson@hpil.org or 630.823.5507.

Fire Department

Fire Department Receives New Vehicle

The fire department has taken delivery of a new custom designed fire ground incident rehabilitation vehicle. The vehicle is used to provide support in the form of rest, rehydration, nourishment, core body temperature cooling and medical monitoring of firefighters who have been engaged in physically demanding tasks at the scene of the incident. Nationally, 50%-60% of firefighter line-of-duty death are due to cardiovascular issues. More than half of all injuries are cardiovascular or heat stress driven. This new unit, staffed by the department's volunteer Fire Corps Rehab Response Team, carries the necessary equipment to address these physiological challenges, which ultimately enhances firefighter safety.

In years past the department has provided this service using a repurposed ambulance. Although the old unit served the team well, it had multiple limitations based on design and size that have been corrected with this new custom unit.

The Fire Corps Rehab Response Team not only provides services to the Hanover Park Fire Department, but regularly assists our neighboring agencies on an as needed basis.

Village of Hanover Park Hires New Human Resources Director

The Village of Hanover Park welcomes **Kate Andris** to the Hanover Park family as its new Director of Human Resources. Ms. Andris will be starting with the Village on Monday, April 11th.

Kate Andris has spent the past two and a half years overseeing Human Resources for the Village of Oak Brook, and has nine years of experience working in local government. She has received a Professional in Human Resources (PHR) certification, which demonstrates mastery of the technical and operational aspects of Human Resource practices and United States Law, as well as the SHRM-CM certification.

Kate holds a Bachelor of Science degree from the University of Wisconsin-La Cross, with a double major in Political Science and Public Administration, as well as a Master of Public Administration from Northern Illinois University.

Born and raised in Minneapolis, Minnesota, Kate lives in Glen Ellyn with her husband.

Hanover Park Sister Cities Black History Month Celebration

The Village of Hanover Park and the Sister Cities Committee hosted a Black History Month celebration at the municipal complex on Saturday, February 13th. Approximately 55 attendees participated in the event. They were treated to a presentation by musician, historian and world traveler Cheb Blackshear who provided an interesting presentation on how the power of the African heritage influenced Latino and Caribbean Cultures. Students from the Faubourg School of Ballet performed a selection from the Alvin Ailey dance repertoire.

Left to Right:

Trustee Jon Kunkel; Trustee Herb & Eve Porter; Sister Cities Committee Members Arnulfo Flores, Pamela Fowler; Guest Speaker Cheb Blackshear; Sister Cities Committee Member Adelaide Grant-Acquah; Former Greenbrook Elementary School Principal Geraldine Crider; Mayor Rod Craig; Sister Cities Committee Chair Linda McCance Packham; and Sister Cities Committee Member Frank Grant-Acquah.

Transit Tax Benefit

Attention transit riders and business owners. If you take the train or ride the bus, here are some potential tax savings for you!

Recent congressional action increased the federal transit tax benefit. A transit rider can now claim up to \$255 per month free of Federal tax towards the purchase of transit service. This benefit, obtained through a participating employer, provides up to a 40% cost savings of commuting on transit for an employee. The tax credit increases from \$130 to \$255 which means that all Metra monthly ticket zone fares are either fully or substantially covered (only the five stations in zones K and M are not fully covered). Pace and CTA fares are fully covered. New products from the RTA make it easier for the commuter to participate and provide even more savings for employers who offer this incentive.

Transit Benefits: It's the RIDE Thing to Do

Roxann Galvan, Transit Benefit Program Manager
Regional Transportation Authority, galvanr@rtachicago.org

Here's how it works:

- Check with your employer to see if they offer the RTA Transit Benefit Fare program.
- If they offer the program, sign up!
- If your employer doesn't offer the program, encourage them to enroll in the program by visiting www.mytransitbenefit.com or contacting the RTA at 312.913.3230.
- Once your employer has enrolled into the RTA Transit Benefit Fare program, just sign up!

Public Works

2016 Roadway Projects

Roadway improvement projects for 2016 include the **total reconstruction of Celebrity Circle**. The tentative schedule for construction of this road is set to begin in April. Patching and repair on other miscellaneous roads throughout the Village will also take place.

DuPage County will be working on the **S-Curve on County Farm Road** south of Ontarioville Road installing new lighting and an application of high friction asphalt in late spring or early summer as materials become available. This is part of an ongoing effort, along with the lowering of the speed limit, to reduce the number of traffic accidents associated with the S-Curve.

For specific questions about the 2016 road projects, please call the Public Works Department at 630.823.5700.

Community Health & Resource Fair

Saturday, May 14, 2016
10:00 am – 2:00 pm
Fire Station #1
6850 Barrington Road

Join us on Saturday, May 14th for a free Community Health and Resource Fair.

This event will include the Hanover Park Lion's Club and their mobile hearing unit, as well as a Village car seat installation and inspection station. This is also an opportunity to bring the kids to come and see the trucks that help the Fire Department run.

Organizations in attendance include the following (as well as others):

Community Apiary Open House

The Hanover Park Community Apiary is holding a family-friendly Open House on **Sunday, June 26th from 1:00 p.m. to 4:00 p.m.**

Come see the beehives, learn why honey bees are important, and see how you can get started keeping honey bees right here in Hanover Park.

Beekeepers will be on hand to answer questions about this fun and increasingly vital hobby. The Community Apiary is located at 2500 Army Trail Road.

Village Recycling

Household batteries and CFL light bulbs can be recycled at the Public Works Department, **Monday through Friday 8:00 a.m. to 3:30 p.m.**

Finance Department

Mark your calendars!

Starting in September, all water and sewer bills will be billed monthly and due by the 21st of each month.

Payment Information

Did you know there are multiple ways to pay your water bill?!

Internet:

Visit our website at <http://www.hpil.org>
(MasterCard/Discover/American Express Accepted)

Auto Pay Program:

The Village will automatically deduct payment from your checking or savings account, on or near due date, saving you time and money. This is a free service.

By Mail:

Mail payments to Village of Hanover Park, 2121 Lake Street, Hanover Park, Illinois, 60133. Please allow five days for delivery.

Drop Boxes:

Payments can be made at two 24 hour depository boxes located in front of Village Hall.

COMMUNITY SERVICE DAY

In honor of Martin Luther King Jr.
Saturday, May 21, 2016

Home Repairs Needed?

You or someone you know may qualify for DuPage Habitat for Humanity's Home Repair program. Repairs include exterior paint, accessibility modifications, window, door, roof replacements, landscaping and more. Help our community earn \$25,000 to \$250,000 in home repairs! Please contact Jennifer Taff at jtaff@dupagehabitat.org or 630.510.3737 x305 to apply or to suggest projects.

June 23rd Annual Golf Outing at Bartlett Hills Golf Club

I-390 Project Update (Elgin O'Hare Western Access)

On July 5th, electronic tolls will begin to be collected on the first segment of I-390 from Lake Street to I-290. For the month of July, drivers with unpaid tolls will be given an extended grace period until 7/31/16, following which the 7-day grace period will resume. In 2016, the Illinois Tollway will continue construction of I-390 east to Illinois Route 83, including the construction of bridges and frontage roads to accommodate local traffic.

The second portion from I-290 to Illinois Route 83 will begin collecting tolls by the end of 2017. Passenger vehicles traveling the full length of I-390 will pay \$1.90 and all tolls will be collected electronically with an I-PASS.

Information on where to obtain an I-PASS is at: <http://www.illinoistollway.com/tolls-and-i-pass/about-i-pass>

Construction Highlights

New Mattress Firm at 7465 Barrington Road

The new Mattress Firm currently under construction.

A new 4,000 square foot mattress store is under construction at the corner of Barrington Road and Bristol Lane, part of the Menard's Shopping Center.

Mattress Firm started in 2007, with the acquisition of several competitor's such as Bedding Experts, Back to Bed and most recently Sleepy's. They now have nearly 3,500 stores in 48 states and one-third of the market. In 2016, they increased their market share of Chicago by nearly 100 percent.

Why another mattress store when there are several just down the street? It is the standard business model of mattress retailers to "cluster" stores within a few blocks of each other.

The Mattress Firm store is expected to be open in Summer 2016.
