AREA RESPONSE TEAMS

Chief Andrew Johnson

The Hanover Park Police Department is working to strengthen community relations to improve policing through a strategy called Area Response Teams (ART).

ART involves assigning officers as area representatives throughout the year. Each area also has an assigned supervisor who is responsible for the crime that occurs and the officers assigned to the respective area.

Each area has a total of four officers assigned. Two officers for the day shift and two officers for the night shift. Residents are encouraged to call your Area Supervisor with any problems or concerns occurring in your neighborhood. This does not replace the 9-1-1 Emergency Telephone System. If you have an emergency, please dial 9-1-1.

The department will host one quarterly meeting that combines all the ART areas instead of hosting four separate meetings over two days.

This allows residents to attend one meeting to discuss issues and address concerns in their area, while gaining an understanding of what is going on within the Village and the department as a whole. The meetings will be conducted by an ART Area Sergeant and the times and locations are always posted in advance on the Hanover Park Police Facebook page. All meetings will also be streamed on the Police Departments Facebook page for viewing at home. Viewers are encouraged to submit questions or comments which will be monitored by a supervisor.

Remember, community policing means all of us working together to improve your neighborhood. Come join us!

Sincerely,,

Andrew Johnson
