OPINION OF LEGAL COUNSEL

Re: Village of Hanover Park, Illinois (the "**Village**") Irving Park Road East Redevelopment Project Area - TIF #5 (the "**TIF #5**") / Annual Tax Increment Finance Report for the Fiscal Year ended December 31, 2021

In connection with the "Annual Tax Increment Finance Report" under 65 ILCS 5/11-74.4-5(d) (the "**Act**") for the fiscal year ending December 31, 2021 for the Irving Park Road East Redevelopment Project Area - TIF #5 (the "**Annual Report**"), I am acting as the Village Attorney for the Village of Hanover Park, and, based upon review of the Annual Report, in reliance on representations made by officers and employees of the Village in such Annual Report, and in reliance on the Village's officials and tax increment finance personnel, planners, consultants and the Village's management as to all proceedings preliminary to, in connection with and related to the adoption of tax increment finance, the approval of the redevelopment plan and redevelopment project and the designation of the Irving Park Road East Redevelopment Project Area - TIF #5, as such adoption, approval and designation have been supplemented and amended, but without making any independent investigation or inquiry in connection with any of the foregoing, as of December 31, 2021, nothing had come to my attention during said period to lead me to conclude other than that the Village as of such date was in compliance with the Tax Increment Allocation Redevelopment Act (65 ILCS 5/11-74.4-1 *et seq.*).

In connection herewith, I am assuming the accuracy, completeness and sufficiency of all documents, statements and representations by and on behalf of the Village and its officers and agents provided to me related to such TIF and in the Annual Report, and I express no opinion as to (i) the sufficiency or completeness of the Annual Report (or any Irving Park Road East Redevelopment Project Area - TIF #5 audit), (ii) the receipt and application of incremental taxes, or (iii) the payment of redevelopment project costs related to such TIF. This constitutes the "**opinion of legal counsel**" under the Act, and may not be cited or used in connection with anything other than submission with the Annual Report.

Dated as of: June 29, 2022

Very truly yours,

Bernard Z. Paul

Attachment D – Activities Statement

TIF #5 – Irving Park Road East Corridor RPA

Statement setting forth all activities undertaken in furtherance of the objectives of the redevelopment plan, including any project implemented in the preceding fiscal year and a description of the activities undertaken [65 ILCS 5/11-74.4-5 (d) (A and B) and 5/11-74.6-22 (d) (7) (A and B)]

*The Village of Hanover Park, Illinois Irving Park Road East Tax Incremental
Redevelopment Project and Plan (“TIF #5”) was adopted on January 10, 2013.*

During the fiscal year beginning January 1, 2021 and ending December 31, 2021 (FY 2021), various activities and projects were undertaken in furtherance of the objectives of TIF #5, including the following:

- 1) A Planned Unit Development and a Preliminary Plat of Subdivision for a 20-unit townhome development was approved for the 1.7-acre vacant lot located at 1 Wise Rd. (Ord. O-20-39) Following approval of Final Plat (R-21-17), construction has begun. The new development is expected to help increase the EAV for the TIF upon completion.
- 2) Several townhomes were sold, and residents moved into the new Verandah senior housing development, located at 900 Irving Park Road. 7 of the townhome buildings have been completed, and 29 units have been sold and occupied. Building plans are under review for additional structures. The overall project calls for a 215-unit senior housing development with a mix of ranch-style townhomes, condominiums, assisted living units, memory care units, a club house with communal dining and fitness facilities, ancillary medical offices, and a one-acre commercial site. This development was originally estimated to have a construction cost of over \$42 million and a Redevelopment Agreement was approved for \$6.3 million in TIF assistance after demonstration of financial gap. The RDA calls for the reimbursement in the form of developer note(s), and the financial assistance to be limited to the increment generated solely from this development. The EAV of the overall property has increased from about \$2 m when the TIF was created to about \$3 m in 2021.
- 3) The developer of the Verandah senior housing development also bought the former Long John Silvers, at 800 Irving Park Road, which closed in Aug. 2019, after 50 years of operations at this location. Plans are awaited to see how the property will be remodeled and reused.
- 4) Staff continued promoting available property in the TIF 5 area for development and recruiting businesses in vacant spaces. A new restaurant opened at 7219 Orchard Ln.
- 5) \$296,844.77 was invested in properties within TIF #5 in private investment (per permit reports) for projects completed in 2021.
- 6) The total EAV for TIF # 5 has increased from \$5,570,970 at the time the TIF district was put in place to \$7,844,328 in 2021

6. REVIEW OF TIF REPORTS

Community & Economic Development Director Shubhra Govind presented the TIF Report Financial Report which was submitted to the State of Illinois for activities completed in the fiscal year of 2020. During the fiscal year beginning January 1, 2020 and ending December 31, 2020 (FY 2020), various activities and projects were undertaken in furtherance of the objectives of TIF #5, including the following:

- A Planned Unit Development and a Preliminary Plat of Subdivision for a 20-unit townhome development was approved for the 1.7-acre vacant lot located at 1 Wise Rd. The new development is expected to help increase the EAV for the TIF upon completion.
- Several townhomes were sold, and residents moved into the new Verandah senior housing development, located at 900 Irving Park Road. 5 of the townhome buildings have been completed and building plans are under review for additional structures. The overall project calls for a 215-unit senior housing development with a mix of ranch-style townhomes, condominiums, assisted living units, memory care units, a club house with communal dining and fitness facilities, ancillary medical offices, and a one-acre commercial site. The multi-storied building with condos and Assisted Living units will be the last phase. This development is estimated to have a construction cost of over \$42 million. A Redevelopment Agreement was approved for \$6.3 million in TIF assistance after demonstration of financial gap. The RDA calls for the reimbursement in the form of developer note(s), and the financial assistance to be limited to the increment generated solely from this development. Increase in the EAV will likely be realized next year.
- Staff continued promoting available property in the TIF 5 area for development and recruiting businesses in vacant spaces. A restaurant located at 7219 Orchard Ln closed –however, another restaurant is being recruited.
- Continued marketing the former Long John Silvers, at 800 Irving Park Road, which closed in Aug. 2019, after 50 years of operations at this location. The property is being marketed for lease or sale. Interest has been steady, but the property has not been sold. High property taxes are noted as an issue by potential buyers.

VILLAGE OF HANOVER PARK,
ILLINOIS

ANNUAL COMPREHENSIVE FINANCIAL REPORT

Hanover Park^{USA}

FOR THE FISCAL YEAR ENDED
DECEMBER 31, 2021

INDEPENDENT AUDITORS' REPORT

June 23, 2022

The Honorable President
Members of the Board of Trustees
Village of Hanover Park, Illinois

Opinions

We have audited the accompanying financial statements of the governmental activities, the business-type activities, each major fund, and the aggregate remaining fund information of the Village of Hanover Park, Illinois, as of and for the year ended December 31, 2021, and the related notes to the financial statements, which collectively comprise the Village's basic financial statements as listed in the table of contents.

In our opinion, based our audit and the report of the other auditors, the financial statements referred to above present fairly, in all material respects, the respective financial position of the governmental activities, the business-type activities, each major fund, and the aggregate remaining fund information of the Village of Hanover Park, Illinois, as of December 31, 2021, and the respective changes in financial position and, where applicable, cash flows thereof for the year then ended in accordance with accounting principles generally accepted in the United States of America.

We did not audit the financial statements of Hanover Square as of December 31, 2021, and the respective changes in financial position, and where applicable, cash flows thereof for the year then ended. Those statements were audited by other auditors whose report has been furnished to us, and our opinion, insofar as it relates to the amounts included for Hanover Square, is based solely on the report of the other auditors.

Basis for Opinions

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Village, and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinions.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Village's ability to continue as a going concern for twelve months beyond the financial statement date, including any currently known information that may raise substantial doubt shortly thereafter.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinions. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Village's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Village's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Required Supplementary Information

Accounting principles generally accepted in the United States of America require that the management's discussion and analysis and budgetary comparison information, as listed in the table of contents, be presented to supplement the basic financial statements. Such information is the responsibility of management and, although not a part of the basic financial statements, is required by the Governmental Accounting Standards Board, who considers it to be an essential part of financial reporting for placing the basic financial statements in an appropriate operational, economic, or historical context. We have applied certain limited procedures to the required supplementary information in accordance with auditing standards generally accepted in the United States of America, which consisted of inquiries of management about the methods of preparing the information and comparing the information for consistency with management's responses to our inquiries, the basic financial statements, and other knowledge we obtained during our audit of the basic financial statements. We do not express an opinion or provide any assurance on the information because the limited procedures do not provide us with sufficient evidence to express an opinion or provide any assurance.

Supplementary Information

Our audit was conducted for the purpose of forming opinions on the financial statements that collectively comprise the Village of Hanover Park, Illinois' basic financial statements. The other supplementary information and supplemental schedule are presented for purposes of additional analysis and are not a required part of the basic financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the basic financial statements. The information has been subjected to the auditing procedures applied in the audit of the basic financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the basic financial statements or to the basic financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, other supplementary information and supplemental schedule are fairly stated, in all material respects, in relation to the basic financial statements as a whole.

Other Information

Management is responsible for the other information included in the annual report. The other information comprises the introductory and statistical sections but does not include the basic financial statements and our auditor's report thereon. Our opinions on the basic financial statements do not cover the other information, and we do not express an opinion or any form of assurance thereon.

In connection with our audit of the basic financial statements, our responsibility is to read the other information and consider whether a material inconsistency exists between the other information and the basic financial statements, or the other information otherwise appears to be materially misstated.
